Hello Ken,

Thank you for recently meeting with our office on a range of CD1 historic preservation issues. In terms of the Pico-Union HPOZ boundary issue, I am forwarding an electronic copy of materials, including an analysis by consultant Jenna Snow.

I know your plate is full - if you don't mind, would love to tag-base with you by, say, end of next week if at all possible - to hear your comments and feedback.

Much appreciated,

Gerald
